Statement no. 8
(Defendant to Hawkins and audience)

Statements made by Defendant:

33:27 It seems to me, what **Mr. Sweigert** and his ill-advised associates on the Internet are attempting to do is to put together a fund to bring fraudulent lawsuits against you (Hawkins) and I, and I would caution anyone who is considering getting involved with **David Sweigert – that I see evidence that he has committed felonies**. And therefore, conspiring with him could expose you to serious legal issues if law enforcement chooses to **act on the evidence that I am actively providing of these felonies. Things like mail fraud, fraud on the court**, things that he has done, **this organized harassment campaign**.

39:39 And if **Mr. Sweigert** doesn't approve of that, well he is certainly welcome to present factual evidence, but what he is doing is making up nonsense. And **conspiring with others around the Internet to break the law**, to engage in civil torts, and just generally be a troublemaker.

Statements made by David Hawkins:

9:39 Pedophile, pimping and trafficking network. What did Gareth Williams know, and when did he know it? And did he get into that network through a backdoor **carelessly, willfully, maliciously, or criminally left by Dave Sweigert. So Sweigert has got a lot to answer for.**

I want to encourage people who are involved in conspiracies or criminal activity, if you are doing something and you know it is the wrong thing to do you should come forward. **And Manuel Chavez should be praised for that.** Because he is coming under fire. **David Sweigert has been directing his attention towards Manuel Chavez.** Very anti-Tzu Su of me to attract Mr. Sweigert's attention while he is so busily getting in his own way. **He has now taken to basically threatening the federal judge in the Southern District of New York, that's Valerie Caproni.**

2:49 That's my position. That he (BISS) had someone paying you (CHAVEZ) to do that stuff. He was working with Robert David Steele, you were working with Robert David Steele at the time, **Sweigert was working with you, Tyron Simpson was working with you and Sweigert. And these are the elements of the conspiracy.**

4:20 You sent me that e-mail, that Schoenberger had sent you. **Schoenberger is sending information to Sweigert . . .** Schoenberger is sending information to Steele. . . . He is a point of contact.

8:06 And the third individual, **David George Sweigert**, retired U.S. Air Force and contract employee of various agencies. Have you ever seen this guy before?

8:57 I am just trying to determine why these individuals (Robert David Steele, Susan Holmes and Plaintiff) would have selected this book (NATO Open Source Manual). They are so persistent in their efforts to stop me from reporting on things. Their explanation of simply not liking my news program cannot possibly be **the real explanation for their multiple lawsuits they have brought against me, and constant harassment and defamation.**

11:46 Do you have any contacts that could raise an alert to Mr. Nunez (Congressman) as to the activities of these individuals.

Statement no. 21
(Defendant in e-mail message)

Mental illness is a serious matter, you need to seek help. You are hurting yourself by generating a growing collection of evidence that indicates very strongly that you are engaged in an organized criminal harassment campaign against me personally as well as other serious potentially criminal offenses. Every person you have CC'd on this message fully realizes that no actual lawyer would send anonymous messages from the "Evidence Collection" department and the messages themselves represent harassment as I have instructed you to terminate communications with me.

I have submitted my evidence against you to the NY FBI field office and anticipate they will contact you soon. If you'd like to challenge me in civil court, I invite you to file your complaint. It will merely save me the filing fees when I counter sue you for the well documented slander and defamation campaign you have been waging which includes per se libel among other civil torts and potential criminal actions on your part.

You are making matters far worse for yourself every day. My friendly advice is that you cease and desist and discontinue your harassment and / or any mention of me or my company moving forward.

See page 36 of the Second Amended Complaint (ECF No. 88)

Statement no. 21
(Defendant in e-mail message)

Dave,

If you refuse to seek the mental health treatment you require, I will at least insist that you retain a legitimate lawyer who will send legitimate letters with a name, phone number and contact information. I would be happy to meet you in court and show my evidence that your year long, ongoing harassment campaign is the root of all your claims. Every recipient of this message knows full well that no legitimate legal entity sends anonymous emails. I have very strong evidence indicating that you, your brother George Webb Sweigert, Robert David Steele and others have conspired for many months to steal money from me, publicly defame me with false accusations of crimes and systematically cyber harassment. This message is further evidence of this effort. You are instructed to discontinue all contact with and communications about me. Please send me your address or the address of your attorney so I may serve you with a formal cease and desist and a temporary restraining order.

Jason
